The attached table gives figures on 1953 planned production and on actual production during the first three quarters of 1953 of VEB Fluorwerk Dohna b/Heidenau, Wasserglasfabrik Dehnitz Wurzen, and Kohlensaeurewerk Bernhardshall Leimbach. These plants are under the Main Administration Heavy Chemistry of the Chemistry Section in the Ministry for Heavy Industry. The Chemistry Section is the former State Secretariat for Chemistry. Revised plan figures represent the revised production plan established after 30 June 1953.
